Website link for more info	

Collected personal data will be dealt with solely by the Contractor and the project team for the purposes of the VET pilot project only, in compliance with the [Data Protection Notice](#) applying to the EDSP community mailing list. Data will not be made available to any other organisation and for any reason.

Possible inclusion of selected courses to the pilot platform will be done solely following interview with and upon explicit consent of the VET provider, unless the course is anyway publicly available on the internet.
